THE POSITION AND RECOMMENDATION OF THE BOARD OF DIRECTORS ON THE ITEM ON THE AGENDA:

Board Position

According to Clause 1 Article 72 of the Federal Law On Joint Stock Companies a company shall have the right to acquire its own shares by a resolution of the general meeting of shareholders on the reduction of its charter capital by way of acquiring a part of issued shares for the purpose of reducing their total amount, if this is provided for by the company's charter. According to sub-point 4.3.3 of the Charter of Public Joint Stock Company "Oil company "LUKOIL" the Company shall be entitled to reduce its Charter Capital through acquisition of a portion of shares in order to reduce the total number thereof.

Based on the specified provisions of the Federal Law On Joint Stock Companies and the Company Charter, the Extraordinary General Shareholders Meeting of PJSC "LUKOIL" shall be advised to make a decision to reduce the Charter Capital of PJSC "LUKOIL" through acquisition of a portion of issued shares in an amount of 100,563,255 (one hundred million five hundred sixty-three thousand two hundred and fifty-five) shares to reduce their total number. At the same time, if the total number of shares to be sold to the Company based on shareholders' applications exceeds the amount of shares that can be acquired by the Company (100,563,255 shares), the shares shall be acquired from the shareholders in proportion to the requests submitted. Should the meeting participants make the respective decision and the Company acquire the specified holding of shares, the shares shall be redeemed upon their acquisition, while the Company's Charter Capital of RUB 21,264,081 and 37.5 kopecks will be reduced by RUB 2,514,081 and 37.5 kopecks thus coming to RUB 18,750,000.

According to Clause 4, Article 72 and Article 77 of the Federal Law On Joint Stock Companies the Board of Directors determined the purchase price per one registered ordinary share of PJSC "LUKOIL" for the Company being equal to RUB 3,949 (three thousand nine hundred and forty-nine) based on its market value in view of the information provided by Public Joint Stock Company Moscow Exchange MICEX-RTS on the weighted average price of ordinary shares of PJSC "LUKOIL" at the close of trading in the Stock Market Section for the period from 01 January 2018 to 30 June 2018.

The Board of Directors believes that acquisition of a portion of issued shares and their redemption will help optimize the Company's share capital structure, also due to the acquisition and redemption of quasi-treasury shares held by the Company-controlled legal entity. Due to the redemption of a part of issued shares the Company's net profit per issued share will rise, which, in the Board's opinion will contribute to higher investment attractiveness of shares of PJSC "LUKOIL" and further growth of its shareholder value.

Board Recommendation
