

Books Open Notice

April 6, 2022

Citi Depository Receipt Services will open the books for cancellation of the following DR programs effectively immediately.

In accordance with Russian regulatory requirements, each cancelling DR entity will have to certify that the DR cancellation and receipt of ordinary shares will not result in a change of beneficial ownership. To access the certification document with instructions for each program, please visit Citi's [Certification Papers](#) webpage:

Issuer	CUSIP
