

## Depository Service Fees For Select Issuers

11/22/2024

There are select DR issues that contain a Depository Service Fee (DSF) component. Citibank, N.A. (Citi) will charge holders the DSF based on the terms of the deposit agreement for the applicable DR program, or in case of unsponsored ADR programs based on the terms and conditions for unsponsored ADRs set forth in the form of applicable receipt on file with the SEC. Citi will notify DTC, Euroclear and Clearstream approximately one month prior to a DSF record date. The clearing systems will in turn collect the DSF from their respective participants based on DR positions held as of a record date.
